

RESOLUTION NO. 17-60

RESOLUTION TO MODIFY THE CORRIDOR MASTER PLAN FOR THE RECONSTRUCTION OF WEST BROADWAY THAT WAS APPROVED BY THIS CITY COUNCIL ON OCTOBER 10, 2016, BY ELIMINATING ALL MEDIANS AND THAT FUTURE PHASES BE CONSISTENT WITH THE DESIGN OF PHASE I.

WHEREAS, The West Broadway Corridor Master Plan that was approved by Resolution No. 16-259 on October 10, 2016 called for the placement of medians in a number of locations, and

WHEREAS, After further review of said plans and additional comment from the business community and others who will be impacted by said medians this City Council is now of the opinion that it would not be in the best interests of the City to include the medians in the plans as the details for this project are further developed, and

WHEREAS, It is the opinion that other aesthetic enhancing features could be made a part of this master plan that would not have such a detrimental impact upon the business community and that same should be fully explored as the design of this project moves forward.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That all medians be eliminated from the plans of the West Broadway Corridor Master Plan and that future phases be consistent with the design of phase I.
